### **Scheuten Solar introduces Multisol<sup>®</sup> Gold Line**

State-of-the-art PV module combining 3-bb cells, HT float glass and high aesthetics

**Scheuten Solar introduces Multisol<sup>®</sup> Gold Line; a new extension of the Multisol<sup>®</sup> range of high quality German made modules, designed and produced for a wide range of applications. The first Multisol<sup>®</sup> module to be given the “Gold Line” classification is the P6-60 series. Its aesthetics, high performance and high energy yield make it well suited for the residential segment. The performance of the Gold Line matches best-in-class in the industry.**

As a new product in the Scheuten Solar range Multisol<sup>®</sup> Gold Line combines high power by integrating high quality 3-bb cells, improved energy yield thanks to f | solarfloat HT glass (Anti-Reflection coating) and an aesthetic design. Multisol<sup>®</sup> P6-60 Gold is manufactured in Gelsenkirchen (Germany) on one the most modern module production lines in the world. This guarantees the highest quality available in the market resulting in leading warranty conditions.

“The introduction of the new Multisol<sup>®</sup> P6-60 Gold Line offers our customers a premium solar module in the top segment of the market. It is a perfect addition to our total range of high quality modules”, stated Theodoor Scheerder, Director Sales & Marketing, Scheuten Solar.

- END -

***Scheuten is a leading and fast growing international high volume manufacturer of total solutions in glass and solar energy systems with its head office in Venlo, The Netherlands. Scheuten employs a staff of over 2000 and achieved a turnover of 407 million euro in 2009.***

***Scheuten Solar is a global player in designing, manufacturing, distributing and applying photovoltaic solar modules. Since Scheuten Solar was set up in 2000 it has evolved into a fully-grown organization boasting specialists in the fields of solar technology, manufacturing, project development and project realization. By managing every stage of the solar value chain Scheuten Solar guarantees the quality and performance of all products.***
